

*proudly supporting
people with an
intellectual disability.*

OC Connections provides a range of specialised and innovative support services which enhance the quality of life for people with an intellectual disability, and their families. The Centre also encourages all those we support to achieve maximum independence as active members of the community

We have been providing services to people with an intellectual disability since 1950. Today, OC Connections provides services to more than 500 adults in the areas of employment, residential, recreation and day services.
